Plant Your Pecan Trees NOW

Spring is right on us and your last chance to plant pecan and fruit trees this season is slipping. Every tree not planted now will be just one year later coming into bearing. We can furnish extra choice No. 1 trees in all sizes at the following prices: varieties STUART and SUCCESS—the two finest pecans being grown:

	Each	6	12	100
2-3 feet	\$.90	\$5.10	\$9.60	\$75.00
3-4 feet	1.00	5.70	10.80	85.00
4-5 feet	1.20	6.90	13.20	100.00
5-6 feet	1.35	7.80	15.60	120.00
6-7 feet	1.50	8.70	16.80	135.00
7-large	2.00	10.80	19.80	150.00
Large	2.50	14.40	27.00	200.00
Ex. Large	3.50	20.40	36.00	275.00
Ex. Special	4.00	22.80	42.00	325.00

No. 2 or cull pecan trees are sold at just half the above prices. Same high quality bred into them but slight scars or blemishes puts them in a lower grade. They are good enough that lots of nurserymen buy them and sell them as their own choicest stock.

Time to plant fruit trees, strawberries, etc. If you have not got our spring catalogue, write for a copy.

Rush us your order—we will rush your trees and they will be the finest money can buy. Shipment made same day order is received with freshly dug trees.
